AMENDMENT UNDER 37 C.F.R. 1.114

Sir:

Concurrently filed with this amendment is a request for continued examination (RCE). The RCE and this amendment are being filed within three months of the office action mailed August 4, 2006, and no extensions of time are believed to be due; however, if an extension of time is required, provisional petition therefore is hereby made.

A pre-appeal brief request for review was filed September 21, 2006. Based on Examiner's Interviews which took place on October 25 and 27, 2006, an RCE is being filed in the case together with this amendment, which is believed to place the application in *prima facie* condition for allowance. This amendment makes the substance of the interviews of record in the case.
